OLD WORLD BLEND

Mattebella Vineyards is a small family farm committed to producing wine of the highest quality. Our single vineyard is located on the North Fork of Long Island, NY and benefits from the region's cool, maritime climate. Our farming practices of sustainability and the omission of all herbicides produces a rich and pure fruit that is transparent with every sip of this wine. This hand harvested fruit is filled with blueberry, blackberry and dark plum flavors. Aged in fine French Oak, the wine enjoys feminine tannins with hints of coffee and chocolate flavors. The result is an elegant, balanced, food friendly wine. It is our hope that you experience the same joy drinking and sharing our wine as we have in bringing it to you. Only 595 cases produced.
